Dear Larry and Dana:

Please extend the appreciation of the American Cancer Society to K Designers for their support and generous contribution of \$11,109.50. Thank you for trusting us with your hope for a cancer-free future.

Your gift will be put to work locally to help:

- \* promote cancer prevention by funding education programs that bring greater public awareness
- \* support research programs which will save the lives of millions affected by the disease
- \* provide free patient and family services and supplies for those who are coping with the illness

The American Cancer Society must rely solely on the generosity of individuals, businesses and organizations like K Designers to continue the fight against cancer. We are pleased to have you join our circle of friends and look forward to working with you again next year.

Sincerely,

A handwritten signature in cursive script that reads "Melissa Mellor".
