Dear Doug & all at K-Designers,

The outstanding commitment and effort you gave to "The Spirit of Christmas" project last holiday season will long be remembered by many in our community. We have received many calls from the referring agencies to advise us of the gratitude of those ten families you helped so splendidly. You certainly made many children happy and made a big difference in their lives. You should all be proud of yourselves and of your company for your involvement in the life of our community.

A big thanks to all from all of us,
