Dear Larry,

I wanted to say thank you from the bottom of my heart for your generous donation to the Juvenile Diabetes Foundation. Thanks to you and other sponsors, I raised \$2,080 to help find the cure for diabetes.

Together, all the walkers in Sacramento raised over \$209,000. Last year over \$20 million was raised nationally. The total is not in yet for this year as the walks continue around the country.

I know that with your help and the help of millions worldwide, we will find a cure for this devastating disease!

With warmest regards,

Vanessa Klingenberg
